OBJECTIVE

I want to achieve a career that can give me countless job opportunities and superior skills helping to grow in my professional career and also in personal life. Changing career has always been one of my goals in life and I feel that now is a great opportunity.

SUMMARY

Transitioning from the aviation area in which I worked in the last 4 years and seeking a full-time role in the business field having more than 10 years of experience working in all administrative areas such as customer services, taxes, buying and selling goods, human resources. Initiative, dynamism, organization, problem solving, excellent interpersonal skills, teamwork, perseverance and motivation, ability to work under pressure, able to perform a variety of tasks and quick learner.

I am a very versatile person, I can adapt easily to people and anywhere, I like to work in groups or alone, work in the office or at home. I am searching a career that can help me achieve my goals and provide greater financial stability for my life

HOBBIES AN INTERESTS

My hobbies are many. I love cycling, since I started living in Dublin I bought a bicycle and it became my first passion to become an active person, I love cycling to the mountains of Dublin or Wicklow and then go hiking. Cinema is also one of my greatest passions in life, I usually tell my friends that cinema is my second home. I am an easy going, friendly, responsible and highly motivated person for the things I want and pursuit. I have always had great responsibilities since I was a teenager managing the family business and when I start something I go through with it.
